

OUR MISSION

The Faith Factory is the ministry for 1st-6th graders at First Baptist Church of Opelika. Our theme emphasizes how we, as a church, want to partner with parents to “build” the faith of our children. We do that through the various learning opportunities offered at the church and through supporting parents with resources and guidance as they “train up” their children.

LET THE LITTLE CHILDREN COME

On October 25, 2015, all church members will be invited to the church's new preschool and children's building to write their messages, prayers or favorite bible verses on the ground before the flooring is installed. This will take place after the 11 a.m. service is let out. Associate Pastor, Mike King, will announce for all members to follow him to the new building after the closing invitation at the 11 a.m. service. We are encouraging all parents and guardians of the children who are a part of the Faith Factory to come and pray over this new building and God's plan for the children and teachers that are part of these ministries.

Faith Factory News:

You may request a fast check-in key fob by filling out the sign-up sheet at the Faith Factory lobby desk. You will receive three fobs so each parent can have one and a spare. The fobs are ready in just a week; this will save you 10 minutes a week when you come on Sundays and Wednesdays.

Faith Factory t-shirts are available until October 15 in exchange for an updated emergency contact form. If you've turned your child's form in already, please stop by and get the shirt. If not, you may grab a form at the Faith Factory lobby desk this week.
